All officers who are now acting as Amildars should be informed of this fact immediately so as to give due notice to them.

ORDER No. R. 5617-26—L.R. 322-48-2, DATED BANGALORE, THE 8th JANUARY 1949.

Consequent on the introduction of total prohibition in the districts of Tumkur, Chitaldrug and Kolar, with effect from 1st July 1948 and in view of the representations made to

Government are pleased to constitute a Committee consisting of the Revenue Commissioner (Chairman), the Excise Commissioner, the Additional Director of Industries and Commerce, with the Deputy Commissioner of the District concerned to survey the areas which are now reserved as Date Groves in each of the districts of Tumkur, Chitaldrug and Kolar and make recommendations for releasing up to 50 per cent of the areas for allotment for cultivation. The Committee will prepare maps of each of the districts showing the areas proposed to be released and those which will be reserved; and further indicate the nature of the soil of the released areas, e.g., the extent of their fertility, and for which purpose they can be used. Since Government have under consideration a system of co-operative farming or collective farming, the Committee may also indicate areas which may be suitable for the purpose.

The Committee is requested to submit their report on these questions within a month.

### Bifurcation of duties now performed by the Secretary, Stores Purchase Committee and Traffic Board.

ORDER No. T. 3019-30—R. T. 55-48-1, DATED BANGALORE,  
THE 17TH JANUARY 1949.

The Traffic Board Office was formed with effect from 1st May 1936 and a full-time Officer was functioning as Secretary, Traffic Board and Assistant Secretary to Government, Road Traffic Branch, till the first week of February 1937 when the Secretary, Stores Purchase Committee, was appointed *Ex-officio* Secretary, Traffic Board and Assistant Secretary to Government, Road Traffic Branch, with an allowance of Rs. 75 per mensem. The work of both the Stores Purchase Committee and the Traffic Board Offices has been steadily increasing of late and is at present very heavy. This has become still heavier in view of the Nationalisation of Road Transport and it has been found impracticable for one Officer to cope up with the work of the two offices efficiently. Government are therefore pleased to direct that the Secretary, Stores Purchase Committee, be relieved of the duties connected with the Traffic Board and Road Transport.

Separate orders will issue in regard to the arrangement for attending to the work relating to Traffic Board and Road Transport.

### Accords sanction to advances up to a sum of Rupees Ten lakhs being made to the Bangalore City Improvement Trust Board for the Construction of Quarters for Labourers.

ORDER No. S.R. 3632-706—L. W. 72-48-2, DATED BANGALORE,  
THE 13TH JANUARY 1949.

The question of Labour Welfare and Amelioration has been increasingly coming up for attention of late, and an improvement in the standard of living of labourers is called for in the interests of industrial peace, increased output and satisfactory maintenance of services.

One of the most important steps in this direction being the provision of proper housing, action is being taken to enact necessary legislation in this behalf. A Bill entitled "The Mysore Labour Housing Bill" is already before the Houses of Legislature. This Bill contemplates the constitution of a Labour Housing Corporation for carrying out the scheme with the help of a fund to be called "The Mysore Labour Housing Fund", and to comprise not merely of grants, donations and gifts which it may be able to get from local authorities and other bodies or individuals but also of grants or loans from Government as well as contributions to be levied from the employers of Labour.

Pending enactment of legislation as above and orders as to the ways and means of implementing the same, Government are pleased to accord administrative sanction to advances up to a sum of Rs. 10,00,000 (Rupees ten lakhs) being made to the Bangalore City Improvement Trust Board as and when required for the purpose of constructing, in the Industrial Suburb, cheap and sanitary quarters for labourers in healthy surroundings and as near as possible to their places of employment. The Chairman, Bangalore City Improvement Trust Board, is requested to proceed with the construction of such quarters in accordance with the plans and designs already submitted by him, i.e., at an estimated cost of Rs. 1,250 per unit or Rs. 5,000 per block of four units, the cost of each site (measuring 420 sq. ft.) being fixed at Rs. 3 per square yard.

Government are further pleased to order that when the Corporation comes into being, the quarters so far constructed by the City Improvement Trust Board, the machinery, and other assets as well as the unutilised portion, if any, of the amount now sanctioned, will be made over to the Corporation as part of its assets. The entire sum of Rs. 10,00,000 will then be treated as a loan made to the Corporation, subject to interest at 3½ per cent per annum and to any other terms and conditions as may be stipulated by Government.
